

HELIX[®] 2073

cold weather

Innovation intertwined with safety. That's the DNA of the Helix[®] Series. The Helix[®] cold weather 2073 features a 13-gauge acrylic/fiberglass blend shell that offers 360° level A6 cut resistance.

The fleece lining keeps wearers' hands warm while the sandy nitrile full double-dipped coating provides liquid resistance and superior grip and abrasion resistance. Complete with touchscreen capabilities, the dexterous 2073 is excellent for warm protection in cold environments.

Product features

- 13-gauge acrylic and fiberglass blend shell offers 360° cut resistance
- Flexible sandy nitrile full coating provides superior grip and abrasion resistance
- Full double-dipped coating offers liquid resistance
- Fleece lining for warmth and insulation (interior layer)
- Hi-vis color enhances visibility and compliance
- Touchscreen capabilities
- Elastic knit wrist helps prevent dirt and debris from entering the glove
- Ultimate dexterity and tactility
- Seamless construction for enhanced comfort
- Washable
- Vend-packed
