

HELMET MOUNTED EARMUFFS

The Malta Dynamics Helmet Mounted Earmuffs offer a combination of comfort and functionality, making them an essential accessory for any worksite. With soft ear cushions designed for extended wear, they prioritize wearer comfort without sacrificing effectiveness. Their reliable pressure ensures a distinct seal, effectively blocking out hazardous noise. Installation is easy, effortlessly mounting directly onto helmets for convenience. The earmuffs' multi-positional design allows for quick engagement and disengagement, providing flexibility for jobs when hearing protection isn't required. Whether in construction zones or industrial environments, these earmuffs deliver reliable protection with user-friendly features.

KEY FEATURES

1. Soft ear cushions for additional comfort
2. Multi-positional for quick engagement and disengagement when not in use

- Reliable pressure for effective acoustic seal
- Easy to install
- Mounts directly to helmet
