PMI® Rope Tech Gloves

Hand protection and finger dexterity at its best. This ultra-lightweight design is great for belaying, knot tying and other rigging work. It is not suitable hand protection for fast rope or other body rappel techniques.

Key Features

- Synthetic leather (palm base layer)
- Two-Way stretch spandex on top and fingers for greater mobility and breathability
- Cowhide layer (finger wear points and palm)
- Elastic cuff with pull-tab and Velcro® closure
- Ergonomically shaped for maximum protection and durability
- Carabiner loop stores inside for snag free operations
